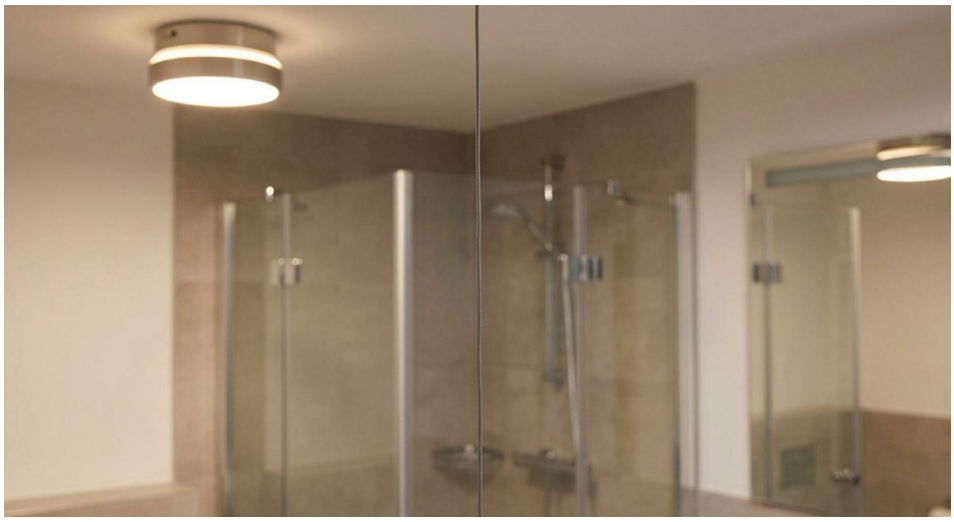
Pull Cord Switches

Pull Cord Ceiling Switch

1 gang 2 Way Black Nickel



05044 BLACK NKL

1 gang 2 Way Black Nickel
Quicklink: Q29C2

This **Pull Cord Switch** provides a simple and practical way to control lighting in bathrooms, wetrooms and other suitable areas. Designed for ceiling mounting, it is operated using a hanging pull cord for convenient switching without the need for a wall-mounted control. Its discreet design makes it easy to incorporate into a wide range of interiors.
