Colour	White

Dimensions

Length	1000m

PVC Flex is for use in most interior wiring such as drops for pendants. Suitable only for location indoors and connection to mains power. Ideal for double insulated lighting and equipment that does not require earthing (Class 2).

This product is priced per metre and cut to order, please order the relevant number of metres required. To buy a 100 metre reel please add 100 to the quantity.

- Approximate Diameter: 6.5mm

Please Note: Once cable is cut cannot be returned.
