General

Colour	Chrome
Construction	Plated Steel

Dimensions

Depth	65mm
Diameter	80mm

The **Detachable Ceiling Rose** allows a fitting to be wired at ground level and taken down without touching the wiring. It allows pendants to be taken down quickly and safely using a easy plug-in action.

Ideal for replacing, repairing, and cleaning pendants as well as changing light bulbs all at ground level.

Please note: Technical and wiring information is available on this product, see technical tab above.
