The **Mashiko Classic Wall 360** is a versatile and stylish bathroom mirror light that is designed to provide additional light to highlight mirrors, bathroom cabinets, and sink areas. This fitting can be mounted horizontally or vertically, providing a wide coverage of light and making it ideal for a variety of bathroom layouts.

The Mashiko Classic Wall 360 features five frosted glass faces that allow light to diffuse in all directions, providing a soft and even light distribution. Two 40W candle lamps are incorporated into the fitting, providing sufficient light for tasks such as shaving and makeup application.

This fitting is IP44 rated, making it suitable for use in bathroom zone 2, ensuring it is safe to use in damp and humid environments. Constructed from steel and frosted glass and finished in polished chrome, this fitting is durable and long-lasting. Two 40W E14 candle lamps must be purchased separately, and **this product is dimmable**, allowing you to adjust the brightness to suit your needs.

Larger versions of this product as well as matching ceiling lights are also available, making it easy to coordinate and complement your bathroom décor. Overall, the Mashiko Classic Wall 360 is a versatile and practical lighting solution that is designed to enhance the look and functionality of any bathroom. With its sleek design, versatile mounting options, and soft and even light distribution, it is the perfect choice for illuminating mirrors, bathroom cabinets, and sink areas.
