IP Rating	IP44
Weight	3.3kg

Dimensions

Depth	300mm
Height	80mm
Width	300mm

Electrical

Maximum Wattage	28W
Voltage	240V

The **Taketa Ceiling Plus** provides a bright diffused light through its central frosted glass window. Finished with a wrapped around steel frame for a professional look. A 28W fluorescent lamp is incorporated into the fitting, providing sufficient light whilst simultaneously meeting the requirements of Part L building regulations on the conservation of power.

This fitting is IP44 rated, allowing for location in bathroom zone 2 (see technical tab). Constructed from aluminium and glass and finished in matte nickel. This fitting cannot be dimmed. A 28W 4 pin 2D compact fluorescent lamp must be purchased separately.
