

# Emergency Exit Lights

LED ExitLite  
White 4W

## ESLEDM3 SIGN BOX

White 4W

Quicklink: Q2852

The **LED ExitLite** is a single sided powder coated steel exit sign suitable for viewing up to 36 metres. The ExitLite provides floor illumination through its downlight panel and comes complete with screen-printed legend panel. The fitting is surface mounted for use above doors. As standard the ExitLite sign arrow is pointing downwards, other options are available separately.
