

Emergency Exit Lights

Fluorescent ExitLite
White 8W

ES8M3 SIGN BOX

White 8W
Quicklink: Q2854

The LED ExitLite is a single sided powder coated steel exit sign suitable for viewing up to 36 metres. The ExitLite provides floor illumination through its downlight panel and comes complete with screen-printed legend panel. The fitting is surface mounted for use above doors. As standard the ExitLite sign arrow is pointing downwards, other options are available separately.
