Hyatt 12V
50W White

DH201050 WHITE

50W White
Quicklink: Q2864

The **Hyatt** is an adjustable downlight. This fitting is available with a chrome or gold reflector which can be rotated 350°. The reflector creates the effect of two light sources, ideal for projecting light on to a wall and on to the floor. The gold reflector emits a warmer softer light whilst the chrome reflector provides a cooler sharper light. The lamp can be adjusted up to 30°.
