The **Tokai 2 Bar** uses frosted glass to create beautiful styling and lighting effects whilst also maintaining the full flexibility of an adjustable spotlight and minimising glare. It can also be used in bathrooms and wetrooms.

This fitting is IP44 rated, allowing for location in bathroom zone 2 (see technical tab). Constructed from steel and glass and finished in polished chrome. This fitting can be dimmed if necessary and has a switch on its base for ease of use. Triple and single spot versions of this product are also available.
