CALABRIA 1191001

2 x 14W

Quicklink: Q287B

General

Cap	T5
Colour	Chrome
Construction	Steel
IP Rating	IP44
Weight	10.2kg

Dimensions

Depth	35mm
Height	610mm
Width	600mm

Electrical

Maximum Wattage	28W (2 x 14W)
Voltage	240V

The **Calabria** mirror light has a stylish borderless design and only 35mm depth, reducing its impact and ensuring greater flexibility in small or narrow bathrooms. Two 14W fluorescent lamps are incorporated into the fitting, providing sufficient light for tasks such as shaving whilst also meeting the requirements of Part L building regulations on the conservation of power. This fitting is also unique in that it can be switched on/off by the wave of the hand, ideal for when your hands are wet!

This fitting is IP44 rated, allowing for location in bathroom zone 2 (see technical tab). Constructed from steel and glass. An integral electronic ballast is built in and two 14W T5 fluorescent lamps are included. This fitting is not dimming compatible. A *Heated De-mister Pad* is also included as part of the package, ideal for removing unwanted condensation.
