Electrical

Maximum Wattage	50W
Voltage	240V

The **50mm Tilting Downlighter** holds a 50mm lamp. The downlighter uses a spring retention system for easy installation and lamp changing. The light can be adjusted up to 30° for directional lighting.

Please note: the ceiling depth for this downlight depends on the lamp choice. For a standard halogen GU10 lamp, the depth is 85mm. For an LED GU10 lamp a ceiling depth of 120mm should be allowed.
