The **Azumi Classic Wall** contemporary fitting is completely customisable; mix and match from a choice of three wall bracket finishes, three shade shapes and three shade colours to suit your room.

The product image above shows the *Azumi Classic Wall* bracket in a bronze finish, with a white *Azumi/Momo Square* used as an example. When purchasing this product, do not forget to order a shade. The complete list of available shade options is shown on the right. A bedside version of this fitting with flexible LED extension is also available, along with matching table and floor lights.

Constructed from zinc and finished in bronze. The separately purchased shade is made from high quality fabric. This fitting is mains switching only. It can be dimmed if a non-compact fluorescent lamp is used. Please note that the measurements below vary depending on the shade type used. A 60W E27 lamp is available separately.
