

# MR16 Halogen

Reflektó Halogen MR16  
50W 24°

---

## M250B SILVER

50W 24°

Quicklink: Q2B9C

---

### General

Cap	GU5.3 / MR16
Construction	Clear Glass
Dimmable	Yes

Dimmable Yes

### Dimensions

Diameter	50.7mm
Length	44.9mm

### Electrical

Voltage	12V
---------	-----

### Light Characteristics

Beam Angle	24°
Colour Temperature	2900K Warm White

The **Reflektó Halogen MR16** has a reflective aluminium coating applied to the inner surface of the lamp. This reflects heat and light away from the light fitting both protecting it and increasing its efficiency.

Low voltage halogen lamps produce a clean and crisp light versatile enough for a variety of applications but particularly suited to display lighting due to their close to natural colour rendering.

The **Reflektó Halogen MR16** lamp is fully dimmable.
