

# MR16 Halogen

Halogen MR16 Red  
50W 12°

**MR. RESISTOR**<sup>®</sup>  
Lighting Specialist Est. 1968

## M249B RED

50W 12°

Quicklink: Q2D66

The **Colour Halogen MR16** produce a stunning bright colour and are fully dimmable.

Low voltage halogen lamps produce a clean and crisp light versatile enough for a variety of applications but particularly suited to display lighting due to their close to natural colour rendering.
