

MR16 Halogen

Halogen MR16 Red
50W 12°

M249B RED

50W 12°

Quicklink: Q2D66

The **Colour Halogen MR16** produce a stunning bright colour and are fully dimmable.

Low voltage halogen lamps produce a clean and crisp light versatile enough for a variety of applications but particularly suited to display lighting due to their close to natural colour rendering.
