Dimmable	No
IP Rating	IP00

Dimensions

Head Height	73mm
Head Length	145mm
Head Width	73mm

Electrical

Maximum Wattage	50W
Voltage	240V

The **MR16 Circuit Theatre Track** lights are 240V spotlights used to highlight certain focal points using different wattages, brightness, beam angles, filters and coloured gels.

The fittings are positioned onto track which can be mounted onto practically any surface. This allows you to move and change your light fittings around when you need to, without having to make any long term installations.
