

3205RGB 1CHR

Chrome 4W

Quicklink: Q301D

General

Colour	Chrome
Construction	Aluminium

Controller Input	24V DC
Controller Output	350mA
Driver Input	240V
Driver Output	24V DC

Dimensions

Cut Out	46mm (Diameter)
Diameter	57mm
Minimum Ceiling Depth	75mm

Electrical

Amperage	350mA
Maximum Wattage	4W

The **Contract RGB Downlight** is a fixed downlight with a plug and play 46° RGB LED worm. These fittings are ideal when a small and discrete downlight is required.

A Chameleon Master 350mA 21W pack can operate a maximum of five Contract 4W Downlights. If more downlights are required a Chameleon Slave 350mA 21W pack can be added which can also control a maximum of five 4W downlights. An unlimited number of Slave Chameleon packs can be used with a Chameleon Master 350mA 21W pack.

Wireless Switches and Remotes

A 7 button wireless wall switch or remote is needed to control the LEDs. Using either the wall switch or remote allows the user to:

- Select one of the 8 preset colours (Red, Green, Blue, Orange, Cyan, Magenta, Yellow)
- Start a smooth colour cycle
- Reverse the colour cycle
- Choose between 3 different colour cycle speeds
- Pause on one of the 1000 different shades of colours available
- Re-program the 8 preset colours with 8 colours of your own choice
