The **Trimless Square RGB** is an adjustable downlighter with a plug and play 46° RGB LED Module.

The Trimless Downlight is a fully adjustable downlight that is available in round or square, black or white. It is designed to be plastered into ceilings to give a seamless appearance. One of the advantages is that the downlight can be installed then plastered and painted.

Wireless Switches and Remotes

A 7 button wireless wall switch or remote is needed to control the LEDs. Using either the wall switch or remote allows the user to:

- Select one of the 8 preset colours (Red, Green, Blue, Orange, Cyan, Magenta, Yellow)
 - Start a smooth colour cycle
 - Reverse the colour cycle
 - Choose between 3 different colour cycle speeds
 - Pause on one of the 1000 different shades of colours available
 - Re-program the 8 preset colours with 8 colours of your own choice
-
