Maximum Wattage	3W

The **Nebula RGB Slave Kits** are used in conjunction with the **Nebula RGB Master Kits**.

The **Nebula RGB 3W** is a 6 wire colour changing LED downlight that has a life time of 50,000 hours. When used in conjunction with our **Wise Chameleon** pack, the fittings can be controlled wirelessly via remote control.

A total of 6 of these fittings can be controlled from one **Wise Chameleon** receiver, if more than 6 **Nebula** fittings are required, simply add a slave chameleon pack to allow for an extra 6 fittings. An unlimited number of **Chameleon Slave 350mA 21W** packs can be used with a **Chameleon Master 350mA 21W** pack.

Please note that this product can only be wired in series.
