The Nebula RGB 3W with 2m Coupler lead is a 6 wire colour changing LED downlight that has a life time of 50,000 hours.

When used in conjunction with our Wise Chameleon pack, the fittings can be controlled wirelessly via remote control.

A total of 6 of these fittings can be controlled from one Wise Chameleon receiver, if more than 6 Nebula fittings are required, simply add a slave chameleon pack to allow for an extra 6 fittings. An unlimited number of Chameleon Slave 350mA 21W packs can be used with a Chameleon Master 350mA 21W pack.

Please note that this product can only be wired in series.
