The **Osca 200 Square** is a versatile and stylish surface-mounted light that is perfect for a variety of settings. Whether you have a concrete ceiling or need to comply with fire regulations, this light is the ideal solution. Constructed from durable plaster, it can be painted to match any interior colour scheme with a high-quality emulsion paint.

The light uses a 20W ES / E27 fluorescent lamp (sold separately) and comes in a variety of sizes and shapes, including larger versions, pendants, and round equivalents. The Osca 200 Square is a versatile and affordable choice for any room.

Incandescent and filament lamps cannot be used with this fitting.
