## WSMOOTH SC45D L

45° 4000K Cool White

Quicklink: Q31AE

### General

Colour	White
Construction	Aluminium
Dimmable	Yes
IP Rating	IP44

Dimmable Yes

### Dimensions

Cable Length	3m
Depth	63mm
Height	300mm
Width	100mm

### Electrical

Maximum Wattage	7W
Power Factor	0.95

### Light Characteristics

Beam Angle	45°
Colour Temperature	4000K Cool White
Lumens	612 lm
Lumens Per Watt	87 lm/W

The **Smooth Spike Light** is an IP44 rated fitting suitable for location in any soft ground. It is ideal for low level lighting of pathways, plants or ponds. It can be tilted so that the beam of light can be precisely controlled.

The head easily screws off for accessing the lamp. The length of the barrel allows this fitting to be used with halogen, compact fluorescent and LED lamps (available separately).

Included with the Smooth Spike is a **GU10 LED 7W Lamp** which allows the fitting to have the low energy and long life benefits of an LED fitting.

The GU10 LED 7W Lamp is equivalent to a 75W GU10 halogen lamp and, like a halogen lamp, is dimmable.
