Voltage	240V AC

The **Euro Modules** are for standard euro grid configurations based on a single module measuring 25mm x 50mm(Double 50mm x 50mm). Mounting plates are available in a wide variety of finishes. Each Euro Module is fitted with twin earth terminals.

Divider plates can be installed as necessary in order to screen sensitive modules.

The USB modules output current is 1 Amp. Please check the output current of any devices you wish to charge to ensure compatibility.
