

WISEDMX/DALI RGB

Dali/DMX
Quicklink: Q332A

General

Construction Plastic
IP Rating IP20

Dimensions

Height 35mm
Length 165mm
Width 47mm

The Chameleon DMX/DALI Interface brings Wise Controllers together. You can now control the Wise Chameleon from either your DMX/DALI control system or your Wise wireless switches, giving you the benefits of both DMX/DALI wired and Wise wireless controlling.

Caution: The warm white produced by RGB products is not the same as the warm white produced by single coloured products. By mixing the colours to create warm white a hint of Red, Green, or Blue may appear.

Wise Controls Introduction Video
