Cap	R7s
Colour	Black
Construction	Aluminium / Plastic / Glass
IP Rating	IP55

Detection Angle	180°
Detection Method	PIR Motion Detector
Detection Range	12m
Time Delay	5 secs to 5 mins

Dimensions

Depth	144mm
Length	252mm
Width	200mm

Electrical

Maximum Wattage	400W
Voltage	240V

The **400W PIR Security Floodlight** is perfect for use in gardens or driveways where large areas need to be lit. Ideal for use at night or for security reasons. An IP55 weatherproof rating and the construction from durable plastic, aluminium and glass makes this light very robust, and resistant to different weather conditions. The PIR motion detector is adjustable vertically and horizontally.

The floodlight and PIR motion detector can be adjusted up and down. Additionally, the PIR motion detector can turn an angle of 180° left and right. A 400W R7s linear halogen lamp is included with the fitting. For more information on this product, please click on the technical tab.
