Lumens Per Watt	109 lm/W

The **Seaslot Plaster Invisible** is a hidden wall recessed spotlight used for indirect lighting. Its ideally used to highlight walkways such as corridors, paths and stairs.

### Important

Once installed, the Seaslot **MUST** be plastered over to completely hide the fitting.

Many different LED power supplies are available that allow you to achieve more with your lighting. Simply select the correct wattage depending on how many total LED fittings it will be connected to.
