The **LED Diva2 Dual** is a slender fixture that fits almost anywhere and is perfect for showcases and retail cabinet displays. The Diva2 Dual is **Colour Temperature Tunable** from 2700k - 6500k. This is controlled by the Dual In-line Dimmer which also dims the fitting (available separately).

The Diva is easy to install with a quick connection system by either magnets or clips both provided with the fitting.

Key Features

- Colour temperature tunable
- Dark spot free at the linking point
- Eco friendly product
- Super slim size
- Various mounting method
