Caravan DecoLite 12V is a fluorescent so compact it fits in the most hard to light areas in furniture, displays or under cabinets. This fitting is 12V so can be used with battery packs. Ideal for Emergency Lighting or Caravan use.

The fixture is easy to install with a plug 'n' play system. You can also combine several fixtures effortlessly. The modular connecting system makes it simple to create long continuous lines of fluorescent lighting to fit any space. Its high light output and an extremely low heat make the DecoLite ideal for displays and cases.

This fitting is supplied with a fluorescent lamp and fixing clips. Please note the power lead is not included with this product.
