FUSE 0996 CHR

3W Chrome
Quicklink: Q35D2

General

Colour Chrome
Construction Anodised Aluminium
Dimmable No
IP Rating IP20

Dimmable No
LED Type Luxeon

Dimensions

Depth 92mm
Head Diameter 30mm
Length 180mm
Width 75mm

Electrical

Maximum Wattage 3W
Voltage 240V

Light Characteristics

Colour Rendering Index 85
Colour Temperature 3000K Warm White

The Fuse range are modern, recessed switched fittings. The head is adjustable for directional lighting.

These fittings have an anodised aluminium finish making them extremely durable and reliable. An integral switch makes this fitting ideal for bedside lighting.

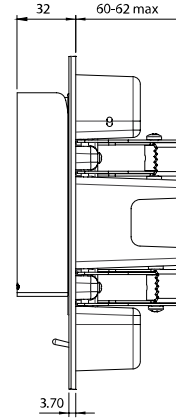

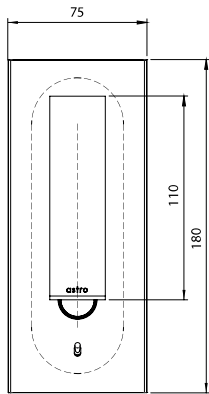

An LED driver is incorporated into the fitting simply wire to mains.
