Quicklink: Q3705

General

Colour	White
Construction	Die-Cast Aluminium
Dimmable	Yes
IP Rating	IP44

Dimmable	Yes
----------	-----

Dimensions

Cut Out	67mm (Diameter)
Diameter	90mm
Minimum Ceiling Depth	85mm
Vertical Rotation	40°

Electrical

Energy Efficiency Rating	A
Maximum Wattage	10W
Power Factor	0.90
Voltage	240V

Light Characteristics

Beam Angle	45°
Colour Rendering Index	80
Colour Temperature	2700K Warm White
Halogen Equivalent Wattage	100W
Lumens	900 lm
Lumens Per Watt	90 lm/W

Page 1 of 2

The **Invisible Round Camera LED Kit** combines the Invisible IP44 rated adjustable downlight with the dimmable Reality LED 10W module & Driver to create a Part L compliant downlight.

The **Reality LED 10W** Lamp is equivalent to a 75W GU10 halogen lamp and, like a halogen lamp, is dimmable.

Key Features

- Complies with October 2010 Part L regulations
- Fully dimmable with leading edge dimmers
- Equivalent to 100W GU10
- 10W Dimmable driver

The Invisible range has been **designed to be overpainted in Situ** in the ceiling if necessary. The fitting is painted RAL9010 - 30% Gloss level which has a slightly matt surface, to which the emulsion or other paints will adhere to. The finish from the factory is good enough for normal use and will blend in with the most common ceiling finishes. The slightly matt finish on the product will allow it to be carefully repainted to suit any other ceiling colours.
