

Wardrobe Sensor T5

Wardrobe Rail & Sensor Strip T5
4000K Cool White 21W

ART231080M21W-S

4000K Cool White 21W
Quicklink: Q3749

The **Wardrobe Rail & Sensor Strip** is a T5 fluorescent strip that attaches inside a wardrobe (brackets provided). The sensor detects when the doors are opened and closed and illuminates accordingly. The strip can also be used as a rail for coat hangers.
This fitting comes complete with a **Cool White (4000K)T5 tube**.
