Light Characteristics

Colour Temperature 3000K Warm White

The **Kalla Switched** has a completely flexible arm to fully manipulate and rotate the head to your exact desired position. It also incorporates a bright warm white LED light source that is ideal for focusing the light for reading books and magazines.

This fitting is constructed from aluminium and polycarbonate. The Kalla is surface mounted so can be easily attached to any wall or furniture piece. A LED driver is enclosed in the base of the fitting, simply wire to mains. This fitting is not dimming compatible and has an on/off switch on its base for easy control.
