IP Rating	IP20

Dimensions

Base Diameter	100mm
Height	560mm
Width	660mm

Electrical

Maximum Wattage	35W
Voltage	240V

The Tizio is a design classic, with the first version released in 1972. It provides orientable halogen task lighting, and its elegant counterweight and arm system keep the head constantly parallel to the table.

The Tizio 35 differs from the original "Classic" in that it is 20% smaller and uses a 35W lamp instead of a 50W lamp.

Key Features

- State-of-the-art version of the Classic Tizio with the added features of parallel and transversal head rotation and dimmer.
- Fully adjustable, balanced, electrical conductor arms in anti-corrosion treated aluminum.
- Arm spacer bars in chromed steel with red, molded thermoplastic insulators.
- Counter weights in zinc alloy.
