LED Tape 240 V2 100m Reel is a flexible light source used to illuminate under cupboards, coves, cabinets and shelves.

This product is cut every 1000mm. Please note it cannot be cut down to any other size other than multiples of 1000mm. There are a total of 60 LEDs per cut. Although not IP rated, it can be rated IP65 if heat shrink is used at all electrical connections and siliconed where required.

Popular amongst residential and commercial applications alike, this 240 V2 LED tape is the perfect solution to mood lighting in clubs, shops, pubs, restaurants, bars. Due to the tape lights flexibility, it is the perfect lighting solution to create a uniformed, even light around curved surfaces such as columns.
