## IMOLA 900 0782

Unswitched  
Quicklink: Q3C21

The Imola 900 mirror light provides a nice diffused ambient light to surrounding walls whilst reducing shadows on the mirror surface. A depth of only 42mm reduces its impact and ensures greater flexibility in small or narrow bathrooms. Two 24W fluorescent lamp are incorporated into the fitting, providing sufficient light for tasks such as shaving whilst also meeting the requirements of Part L building regulations on the conservation of power.
