The **Momo Floor** is a stylish modern light designed not only to colour coordinate with your existing furnishings but provide a design feature in any room in which it is located. Matching wall and table fittings are also available. This product is completely customisable; mix and match from a choice of three finishes and three shade colours.

Constructed from steel. The separately purchased shade is made from high quality fabric. This fitting has an on/off switch located on the base of the lampholder. Can be used with a standard or compact fluorescent 60W E27 lamp (available separately).
