Cap	ES / E27
Colour	White
Construction	Pressed Steel / Polycarbonate
Dimmable	Yes
IP Rating	IP00

Dimensions

Head Diameter	97mm
Head Length	50mm

Electrical

Maximum Wattage	100W
Voltage	240V

The **Big Nose 100W Three Circuit Track** is an adjustable track fitting spotlight used for general lighting.

Three circuit track lighting is a versatile and flexible lighting system commonly used in commercial and residential spaces. The singularity of this lighting track system is that each of the three circuits can be wired and controlled independently, allowing you to have different lighting configurations in the same space. This means you can have multiple sets of lights on the same track, each set with its own switch or dimmer control.
