Braided Cloth Round Flex Cable is specifically designed for period style restoration work on lighting and electrical appliances. It is also suitable for modern light fittings which are not complimented by plain PVC flex. Suitable only for location indoors and connection to mains power.

This product is priced per metre and cut to order, please order the relevant number of metres required. To buy a 100 metre reel please add 100 to the quantity. A variety of colours are available.

Please Note: Once cable is cut cannot be returned.
