The **Kala** table lamp inspired by the tulip flower, a hand made diffuser wraps around the two light sources with a reflective inner material to spread the light more evenly. Two alternative colour bulbs can be inserted into the lamp to create interesting colour mixtures, the Kala floor lamps looks good in any living space.

Base: Made from a methacrylate material with an underbase PVC high density foam board.

Diffusor: Semi transparent methacrylate diffuser with clear fixing parts.

Wire and Switch: PVC transparent cable with tow button black and white plastic switch.
