The New **Trimless Triple Downlight** is a fully adjustable downlight that is available in black or white. Using the different lampholders available you can select different light sources; Halogen, LED. It is designed to be plastered into ceilings to give a **seamless** appearance. One of the advantages is that the downlight can be installed then plastered and painted.

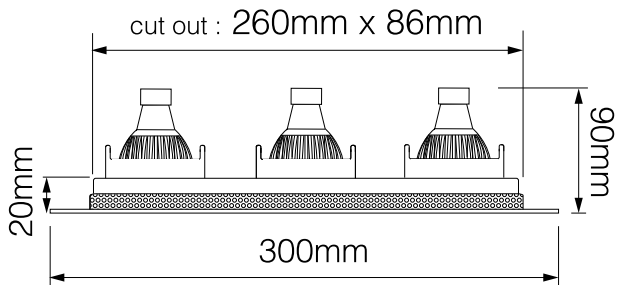

IP rated version of this product now available

See link items for the additional **IP55** Rated inner ring, allowing this fitting to be converted for use in a bathroom environment.

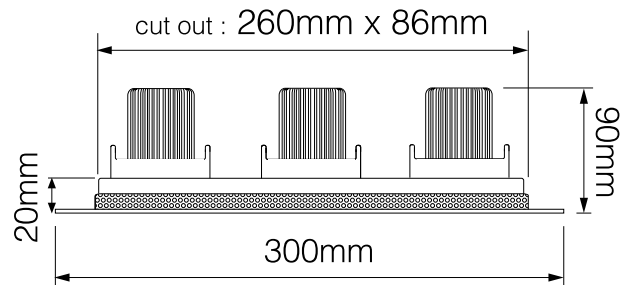

Item code: **FRTRING IP55 WHT**
