The **LED Spike** range of fittings are a stylish way to accentuate areas of your garden. The head of the spike light can be angled to suit your requirements. Included with these fittings is a 20W Driver and a 10m six point cable with each connection point positioned every 1.6 metres apart to allow lights to be positioned along long stretches of garden. The plug and play nature of this fitting makes these products easy to install.

The **LED Spike** range of spike lights give a natural light ideal for highlighting areas of your garden to display true colour.

The only drivers compatible with these products are the **LEDHOOD TF12/20**, and the **LEDHOOD TF12/60**, and the **LEDHOOD TF12/80**

this product is AC
