Quicklink: Q4062

### General

Cap ES / E27  
Construction Glass  
Dimmable Yes

Dimmable Yes

### Dimensions

Diameter 60mm  
Length 111mm

### Electrical

Maximum Wattage 6W  
Voltage 240V

### Light Characteristics

Colour Rendering Index 80  
Colour Temperature 2200K Warm White  
Halogen Equivalent Wattage 60W  
Lumens 560 lm  
Lumens Per Watt 93 lm/W

LED Carbon Filament lamps offer a energy efficient alternate to carbon filament lamps, while providing the same aesthetically pleasing look and upto 5x lamp life. Each lamp contains strips of LEDs emitting light in all directions ideal for decorative fittings.

When used in conjunction with a dimmer, we recommend a load of at least 40W in order for the lamps to work to their full potential.

**Please Note:** This LED lamp comes with an automatic one year warranty as standard.
