1 x 23W E27 + 1 x 2G11 55W Grey
Quicklink: Q4081

General

Cap	2G11,ES / E27
Colour	Grey
Construction	Plastic
IP Rating	IP20

Dimensions

Base Length	360mm
Base Width	360mm
Cable Length	4m
Height	1800mm

Electrical

Maximum Wattage	23W
Voltage	240V

The **Dark Kala** floor lamp inspired by the tulip flower, a hand made diffuser wraps around the light source with a reflective inner material to spread the light more evenly. This version is the opposite of the white one, with grey diffuser and white base. Making it as brightest as possible by adopting appropriate light sources which illuminate the singular iridescent-grey diffuser used for this lamp. Equipped with 3 different brightness levels, by switching the lowest light source Kala dark becomes an elegant lighting-furnishing.

Base: Made from a methacrylate material with an underbase PVC high density foam board.

Diffusor: Methacrylate grey diffuser with clear fixing parts.

Wire and Switch: PVC transparent cable with tow button black and white plastic switch.
