

LED Decorative Candle

LED Clear Candle Lamp E10 100lm GS1 Switching
1W 2700K Warm White

711616 CLEAR

1W 2700K Warm White
Quicklink: Q40E4

The **LED Candle E10 1W GS1** is designed as a direct retrofit replacement for halogen E10 lamps. It has a comparable light output and beam spread to its incandescent and halogen equivalents but is up to 80% more energy efficient and has a far greater life span. The LED technology used in this lamp give it the comparable benefits of being entirely mercury free, producing little or no heat and having no ultraviolet or infra-red light in its output.

General

Cap	MES / E10
Construction	Glass / Metal
Dimmable	No

Dimmable No

Dimensions

Diameter	22mm
Length	85mm

Electrical

Amperage	10mA
Energy Efficiency Rating	A++
Maximum Wattage	1W
Voltage	240V

Light Characteristics

Beam Angle	360°
Colour Rendering Index	80
Colour Temperature	2700K Warm White
Lumens	100 lm
Lumens Per Watt	100 lm/W
