2W 2700K Warm White
Quicklink: Q40EB

The **LED Bent tip Matt Satin Candle E14 2W CV4** is designed as a direct retrofit replacement for halogen E14 lamps. It has a comparable light output and beam spread to its incandescent and halogen equivalents but is up to 80% more energy efficient and has a far greater life span. The LED technology used in this lamp give it the comparable benefits of being entirely mercury free, producing little or no heat and having no ultraviolet or infra-red light in its output.

General

Cap	SES / E14
Construction	Glass / Metal
Dimmable	No

Dimmable	No
----------	----

Dimensions

Diameter	35mm
Length	125mm

Electrical

Amperage	17mA
Energy Efficiency Rating	A++
Maximum Wattage	2W
Voltage	240V

Light Characteristics

Beam Angle	360°
Colour Rendering Index	80
Colour Temperature	2700K Warm White
Lumens	210 lm
Lumens Per Watt	105 lm/W
