## LEDBT2 2W 3K CL

2W 2700K Warm White  
Quicklink: Q4119

The **LED Bent Tip Candle 2W** is designed as a direct retrofit replacement for halogen MES/E10 lamps. It has a comparable light output and beam spread to its incandescent and halogen equivalents but is up to 86% more energy efficient and has a far greater life span. The LED technology used in this lamp give it the comparable benefits of being entirely mercury free, producing little or no heat and having no ultraviolet or infra-red light in its output.

### General

Cap	MES / E10
Colour	Opal
Construction	Plastic / Metal
Dimmable	No

Dimmable	No
----------	----

### Dimensions

Diameter	30mm
Length	99mm

### Electrical

Energy Efficiency	A
Rating	
Maximum Wattage	2W
Voltage	240V

### Light Characteristics

Colour Rendering Index	80
Colour Temperature	2700K Warm White
Lumens	150 lm
Lumens Per Watt	75 lm/W
