

LED Linear R7S

LED Linear R7s 1200lm
13W 3000K Warm White

LEDTHL 13W WW

13W 3000K Warm White
Quicklink: Q4121

The LED Linear Lamp is designed as a direct replacement for a 118mm halogen linear tube lamps. It has a comparable light output and beam spread to its incandescent and halogen equivalents (150W) but is up to 75% more energy efficient and has a far greater life span. The LED technology used in this lamp give it the comparable benefits of being entirely mercury free, producing little or no heat and having no ultraviolet or infra-red light in its output.

General

Cap	R7s
Construction	Plastic / Metal
Dimmable	No

Dimensions

Length	118mm
Width	88mm

Electrical

Energy Efficiency Rating	A
Maximum Wattage	13W
Voltage	240V

Light Characteristics

Colour Rendering Index	80
Colour Temperature	3000K Warm White
Halogen Equivalent Wattage	150W
Lumens	1200 lm
Lumens Per Watt	92 lm/W
