LEDCANDLE4W ES

4W 2700K Warm White
Quicklink: Q41BF

The **LED Candle ES / E27 4.5W** is designed as a direct retrofit replacement for halogen BC lamps. It has a comparable light output and beam spread to its incandescent and halogen equivalents but is up to 80% more energy efficient and has a far greater life span. The LED technology used in this lamp give it the comparable benefits of being entirely mercury free, producing little or no heat and having no ultraviolet or infra-red light in its output.

General

Cap	ES / E27
Colour	Clear,White
Construction	Plastic / Metal
Dimmable	Yes

Dimmable	Yes
----------	-----

Dimensions

Diameter	36mm
Length	98.5mm

Electrical

Energy Efficiency Rating	A
Maximum Wattage	4W
Voltage	240V

Light Characteristics

Colour Rendering Index	80
Colour Temperature	2700K Warm White
Lumens	270 lm
Lumens Per Watt	68 lm/W
