Dimmable	Yes

Dimensions

Diameter	35mm

Electrical

Maximum Wattage	4W
Voltage	240V

Light Characteristics

Colour Rendering Index	80
Colour Temperature	2700K Warm White
Lumens	280 lm
Lumens Per Watt	70 lm/W

LED Carbon Filament lamps offer a energy efficient alternate to carbon filament lamps, while providing the same aesthetically pleasing look and upto 5x lamp life. Each lamp contains strips of LEDs emitting light in all directions ideal for decorative fittings.

When used in conjunction with a dimmer, we recommend a load of at least 40W in order for the lamps to work to their full potential.

Please Note: This LED lamp comes with an automatic one year warranty as standard.
