

D5000A AD SS RND KIT

Silver 50W

Quicklink: Q423C

The LED Marina kit includes a Marina recessed uplight, 12V toroidal transformer and MR16 Reality LED lamp.

The **Marina Recessed Uplight** is a recessed uplight that can be used in floors and walls. The Marina Uplight is rated IP67, this allows it to be fitted into wet areas, for example outside in decking. Constructed and finished in aluminium with toughened safety glass.
